* During Eastertide a reading from Acts is often substituted for the lesson from the Hebrew Bible.

On the Day of Pentecost, if the Old Testament passage from Genesis is chosen for the first reading, the passage from Acts is used as the second reading.

* "First" OT readings, read semi-continuously, follow major stories/themes, beginning in Year A with Genesis and ending in Year C with the later prophets.

* "Alternate First" OT readings follow the complementary historical tradition of thematically pairing the OT reading with the Gospel reading.

** In a very few instances in the Lectionary, no Psalm reading is offered for reasons relating to the thematic nature of the Day.
